

# Prisoner Transport

## VIPER™ Shield Enhanced Partitions

VIPER™ Shield Enhanced Space Saver Partition Rapid Deployment System shown for a Ford PI Utility

## VIPER<sup>TM</sup> Shield Enhanced Partitions

Equip patrol officers with special threat protection from the potential uncertainties that can arise during routine traffic stops, warrant service, domestic disputes, and other seemingly innocuous situations until a suspect pulls a weapon

### VIPER Shield Rapid Deployment System

#### Portable Ballistic Protection

- Additional protection for otherwise exposed vital areas of the officer's body
- Rated NIJ IIIA
  - Transparent, oversized ballistic view port
  - Flexible Velcro<sup>®</sup> hand and forearm support-band for easy grip and maneuverability
  - Ballistic composite material
- Shield dimensions: 16" w x 25" h
- Shield weight: 8.5 lbs.

#### Rapid Deployment

- T-handle quick release deploys shield in seconds from B-Pillar

#### Patented Technology

##### Shield Housing

- Flush mounts inside the Partition, behind the Driver's seat
- Double latch locking system holds shield in place
- Reduces road rattle
- Prevents tampering or hiding contraband from transports

### Prisoner Transport Partition

#### Solid Construction

- Smooth, charcoal grey powder coated steel panels are easy to clean, resist corrosion
- Padded, 1- $\frac{5}{8}$ " roll bar
- 14 gauge thickness withstands violent assaults
- Partitions mount far enough back on B-Pillar to maintain full travel and substantial recline of the OEM seat
- Includes Partition Frame, Viper Shield, Recessed Panel and Pair of Bucket Seat Protectors
- Choose from up to 9 different window configurations to meet your prisoner transport needs
- Airbag compatible filler panels

#### Optional Dual or Single Weapon Racks Available

#### Patented Design
